A. PURPOSE:

The purpose of this modification is to update clause H-35 para (d)(6) Benefit Evaluations per HCA memo titled "Contractor Benefit Value Study and Benefit Cost Study Requirements" dated 5/4/22; update Part III, Section J, Appendix A Personnel Appendix by adding section (f) Transitioning Military Skills Program (TMSP); and update Part III, Section J, Appendix G

B. CHANGES TO THE CONTRACT

As the result of this modification, the following changes are hereby incorporated into the Contract:

1. Part I, Section H, Clause H-35, Workforce Transition, Contractor Compensation, Benefits and Pension, paragraph (d)(6) Benefit Evaluations
 - (d)(6)(ii) The RBVI shall be an actuarial calculation of the relative value of the benefit programs offered by the Contractor calculated for non-bargaining employees and measured against the average value of benefit programs offered by at least 15 comparator companies and/or institutions that the Contractor competes against for recruitment and retention of employees, and that are approved in advance and in writing by the Contracting Officer as a bona fide comparator group. Any Contractor defined benefit pension plans and post-retirement benefit plans, closed to new entrants, do not have to be included in the RBVI measurement. The Contractor shall submit for Contracting Officer approval the RBVI methodology.
 - (d)(6)(iii) The Cost Comparison shall analyze the Contractor's aggregate employee benefit costs on a per capita basis per full time equivalent for Paid Leave, Life Insurance, Disability Insurance, and Retirement and Savings, Health Insurance, and Death Benefits for non-bargaining employees. Any Contractor defined benefit pension plans and post-retirement benefit plans, closed to new entrants, do not have to be included in the Benefit Cost Comparison. The Cost Comparison shall analyze aggregate employee benefit costs as a percent of the Employee payroll. All costs shall be compared to the findings of a nationally recognized survey approved in advance and in writing by the Contracting Officer.
 - (d)(6)(iv) Costs for a market-based Benefits Plan for non-bargaining employees will be allowable when the Contractor's total benefit RBVI does not exceed the market average total benefit RBVI by more than five percent and the total benefit costs as a percent of payroll do not exceed the comparator group by more than five percent.
- (I) When the total RBVI and/or Cost Comparison exceed the comparator group by more than 5 percent and when requested by the Contracting Officer, the Contractor may be required to submit for approval corrective action plans, including a timeline, to achieve a market average RBVI or for the cost study an average per capita cost as a percent of payroll not to exceed the comparator group by more than 5 percent.
- (II) When the Cost Comparison exceeds the comparator group by more than 5%, the Contractor shall submit an analysis to determine the particular benefits that have driven the per capita costs in excess of 105% of the comparator group's benchmark. Based on this analysis, the Contracting Officer will determine whether a corrective action plan is necessary and the specified period of time.
